

# Have your say: become a member of York Carers Centre

## Who can be a member?

- Carers
- Anyone with an interest in carers who is committed to supporting them
- Voluntary organisations who support carers
- Professionals who work with carers

## Why become a member?

York Carers Centre is technically owned by its members. Members elect the Trustees at the Annual General Meeting (AGM) and influence the direction the Centre takes. It is important that we have a large membership to make sure we are carer led.

## Come to our AGM and have your say

**7pm on Wednesday 3 November 2010**, York Cricket and Rugby Club, Clifton Park clubhouse, Shipton Road, York, YO30 5RE

If you are a member you will be able to vote during the meeting and elect Trustees. Feel free to bring along the person you care for as the building is fully accessible. Refreshments will be available and there is plenty of parking.
